Mr. Wallace H. Robinson, Jr.  
Commissioner  
General Services Administration  
Federal Supply Service  
Washington, D.C. 20406

Dear Mr. Robinson:

In accordance with the request in your letter of 10 June 1976, I have had representatives of my office review the proposed changes to the Federal Travel Regulations (FTR) which were published in the Federal Register on 20 May 1976. I have been advised that we will be able to apply the proposed modifications and additions without difficulty.

As you indicated in your letter, a further comprehensive revision of the entire Federal Travel Regulations is desirable and we would appreciate receiving a copy of that proposed revision when it is available.

Sincerely,

/s/ John F. Blake
